

Ctrm Etrm Systems: Commodity Energy Software Strategies (Paperback)

By Steven Berley

Steven Berley, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Mr. Steven Berley is a former Trading Leader, Risk Director, and Controller working at Enron, Koch Supply Trading, and Shell. Mr. Berley also has several years experience directly working for a major C/ETRM vendor and has been an independent expert trading and software consultant for many years with Front-2-Back Consulting. Along with possessing an MBA and CPA, Mr. Berley is truly the rare expert in the Commodity Energy Trading and Risk Management field. This is his second book in the C/ETRM space. The first book, Energy Trading and Risk Management, focused on trading, hedging and risk strategies. This second book on C/ETRM systems covers all facets of commodity and energy trading systems from selection to requirements to selection to project management and beyond. The approach suggested in this book will save any company millions of dollars in software and project implementation.
