Penguin Books Ltd, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. `We ve left a lot of men in Borneo - know what I mean? With their SAS trainer s warnings ringing in their ears, the naturalist, Redmond O Hanlon, and the poet, James Fenton, set out to rediscover the lost rhinoceros of Borneo. They were loaded with enough back-breaking kit to survive two months in a steaming 95 Degrees (in the shade) jungle of creeping, crawling, biting things. O Hanlon could also rely on his encyclopaedic knowledge of the region s flora and fauna, and had read-up on how to avoid being eaten by anything (stick your thumbs in a crocodile s eyes, if you have time). And yet they proceeded to have an adventure that neither O Hanlon, nor his friend, nor even his guides were remotely prepared for.` Consistently exciting, often funny, and erudite without ever being overwhelming Punch.
