Lulu.com, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There s Gold Dust in the Air for You! This book is the result of several recent recessions and many years of lean living. Nobody likes recessions and nobody likes lean living-and indeed nobody should like them. For fifteen years I tried to find such a book as this one. During those years of searching the book shelves, I found that there are many books which give various success ideas, but in none of them did I find a set of compact, simple laws for assuring success. Years ago, a salesman used the power of prosperous thinking, although he may not consciously been aware of it. When people asked him, How s business? he always gave this standard answer: Business is wonderful because there s gold dust in the air! For him it certainly seemed to be so-every contact became a sale. After a while, whenever his name was mentioned, people always said, Yes, everything he touches turns to gold. These secrets are inside. Get Your Copy Now.
