

Why We Fail at Romantic Relationships (Paperback)

By George Bissett

George Bissett, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is NOT about sex. It is about romance - mostly because, without romance, sex can become less than it could/should be. To me, love and sex seem to be separate entities. But that is just my opinion and whatever your opinion is, it is every bit as valid as mine. In the book, there are sections on codependency and counterdependency, written so as to make them more understandable to those readers who may not have studied or researched those behaviors - which are very stressful. In fact, many things that are stressful to us as a result of the behaviors of others can be handled if one is able to detach, a definition of which is: -I didn't cause it -I can't control it -I can't cure it -I can't change it - but I can change myself Detaching will put you on the path to no longer suffering as a result of someone else's behavior because you are what your deep driving desire is and as your desire is, so is your will. As your will...

Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Dylan Schaden**

Extremely helpful to all class of individuals. It really is written in straightforward terms instead of difficult to understand. I am just happy to explain how this is the finest publication I have got read inside my own lifestyle and might be the very best ebook for possibly.
