Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If you are looking for a way to save for retirement that is more effective than simply socking money away in a savings, account, there are few more effective ways of doing so than via the stock market. If you are interested in learning how to make the market work for you, then Stock Market Investing for Beginners: Stock Market Investing for Beginners as Well as Experts Gives You the Tools to Start Investing Wisely and Successfully. Quickly Cover the Basics Then Learn Actual Actions Steps to Start Trading and Investing Today is the book that you have been waiting for. Since the early 1900s, the stock market has seen an average rate of return of about 10 percent which is higher than just about any other type of investment return. With inflation taken into account, this means you could see your investment double in about 10 years. It isn't a surefire system, of course, but with great risk comes the potential for great reward and with the tools found inside you will be able to minimize the potential risk while...
