Spectra, 2005. Paperback. Condition: New. First Edition. 0553383388 In this debut novel, acclaimed short-story author Tim Pratt delivers an exciting heroine with a hidden talent - and a secret duty. Witty and suspenseful, here is a contemporary love song to the West that was won and the myths that shape us. As night manager of Santa Cruz's quirkiest coffeehouse, Marzi McCarty makes a mean espresso, but her first love is making comics. Her claim to fame: *The Strange Adventures of Rangergirl*, a cowpunk neo-western yarn. Striding through an urban frontier peopled by Marzi's wild imagination, Rangergirl doles out her own brand of justice. But lately Marzi's imagination seems to be altering her reality. She's seeing the world through Rangergirl's eyes - literally--complete with her deadly nemesis, the Outlaw. It all started when Marzi opened a hidden door in the coffeehouse storage room. There, imprisoned among the supplies, she saw the face of something unknown - and dangerous. And she unwittingly became its guard. But some primal darkness must've escaped, because Marzi hasn't been the same since. And neither have her customers, who are acting downright apocalyptic. Now it's up to Marzi to stop this supervillainous superforce that's swaggered its way into her world. For Marzi, it's the showdown of her life. For Rangergirl, it's just another day.
