Reviews

Basically no words to describe. We have read through and i also am sure that i am going to going to read once more once again later on. You may like just how the article writer compose this publication.

(Mrs. Jane Quitzon DDS)

POPPYBUG! (HARDBACK)

Eland Ra, United States, 2015. Hardback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.A young poppy bud sees a ladybug and believes he looks a lot like him. I am Poppybug! announces the young bud to all off his friends in the meadow. When they try to tell him that he is not a bug, he refuses to believe them. Finally, after speaking with Old Oak, young bud realizes that everything he will become is inside of him. This beautifully illustrated picture book is a treasure filled with valuable life lessons. It teaches about the life cycle of the poppy flower and is a great resource for teachers and parents of children ages 3-8. Poppybug! is the third book in the Montessori Storybook Series published by Virginia Lynn Anderson. The books were inspired by an art residency she did at a Montessori school in Connecticut. The paintings she created inspired the stories.
