

True and False Standards of Graduate Work (Classic Reprint) (Paperback)

By Andrew Fleming West

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from True and False Standards of Graduate Work Let us turn at once to the graduate work and con fine our attention to the other section of the field of liberal studies. Professional and technical studies may in a sense be depended on to take care of them selves. They will always flourish so long as men are seeking to be educated in order to make a profitable living. But graduate work in liberal studies cannot be maintained on this basis, because the end aimed at is different. For if the pursuit of wealth or station is the end aimed at by a man who thinks he is giving himself to the life of a scholar, he is not aiming at a scholarly end. Consequently, in order to maintain its own standards, a true graduate school in the liberal arts and sciences must depend on something else to sustain it. The moment it becomes an employment bureau or an agency for finding places, a sordid motive enters, and it is in danger of ceasing to be a school devoted to...
