

Re-Aligning with Nature: Ecological Thinking for Radical Transformation

By Denise Kelly DeLuca

White Cloud Press, United States, 2016. Paperback. Book Condition: New. 203 x 178 mm. Language: English . Brand New Book. Denise DeLuca s Re-Aligning with Nature takes readers who are looking for radical social and business solutions on a direct and simple path to real change: nature s path. In this clear, direct, illustration-driven book, DeLuca lays out the core issues of why we are in danger due to being out of alignment with nature and how realigning with nature can save the planet. Long ago, humans lived in alignment with nature. As we discovered how to exploit nature s resources, as well as human resources, life became easier and more comfortable (especially for the few), but we became detached from nature and our own human spirit. We are now realizing that ecosystems are being destroyed, species are going extinct, and the Earth is heating up. But giant companies, governments, and other organizations are sluggish and can t respond to change fast enough. In addition to realigning what we make and how we make things with nature, we need to realign ourselves with nature and our own human nature. We need to recognize and recapture our natural paradigm. Radical? Absolutely....
