Clothing and Textile Collections in the United States: A CSA Guide (Paperback)

By Sally Queen, Vicki L. Berger

Texas Tech Press,U.S., United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. A fine survey of the collections available and the first such guide in print - California Bookwatch . Clothing is the most personal expression of a culture. Objects of dress and adornment reveal so much about the individuals who wore them and the cultures and times in which they lived. History, art, technology, psychology, culture, social systems, customsall are reflected in peoples clothing. Countless treasures exist in clothing and textile collections across the U.S., but until now no comprehensive directory to the collections was available. Clothing and Textile Collections in the United States is the first guide to list information on more than 2,600 American collections. Included in each listing are location and contact information, and many listings also offer a brief description of the collection. This guide is essential for museum directors, costume studies professionals, and librarians, as well as anyone interested in clothing and textile history. Sally Queen, a specialist in eighteenth- and early-nineteenth-century costume and reproduction, began publishing historical fashion calendars in 1998. She is the publisher of Textiles for Colonial Clothing , Textiles for Clothing in the Early Republic: 1800-1850 ,...

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.
