Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a Christian work. It was written partly in opposition to those Christians who condemn people with HIV/AIDS. It was also written in sympathy with those afflicted with HIV/AIDS and to encourage all who are enduring pain and suffering. God loves those who are suffering--he is not punishing them. He may not show us why people suffer, or why we ourselves are suffering, but he clearly demonstrates through the person of Jesus Christ that he is a loving God. Jesus healed those who were sick, he did not condemn them. It is hoped these verses will provide a moment of comfort to those who are suffering.
