THE CHILDREN S ZODIAC BOOK (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Sydney Zmitrewicz (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Did you ever wonder what it really means to be a Gemini? And what makes a Leo, a Leo? Since the ancient times, the practice of astrology and its twelve Sun signs has helped people to understand the world around them, and to gain awareness of themselves as well. Now The Children s Zodiac Book offers a simple and illuminating peek into astrology that s a stargazing-good time, too. Readers can learn more about themselves and others. In twenty-four engaging pages, The Children s Zodiac Book beautifully personifies each of the twelve Sun signs. Each two-page spread includes a brief description of the featured sign by author Caren Dunn, as well as a delightful illustration by Sydney Zmitrewicz that is full of fascinating symbolism. Playful and inviting, this zodiac book will open up a new world for inquisitive readers on the roles that astrological signs play in determining and shaping our personalities. The section on Aries, for example, includes that those under the sign of Aries are born between March 20 and April 19; that Aries lives in the First House; that its element is fire; and that the planet Mars rules the sign. The description then shares Aries noted characteristics, such as intelligence, spontaneity, and curiosity. The only astrology book of its kind, The Children s Zodiac Book can open up the celestial heavens for curious individuals, and a new road to self-discovery as well, one brightly colored illustration at a time.
