There have been many seasons in my life where I was at a very low, desolate place and felt like I was all alone. During these times, I felt there was no one I could call who would understand what I was going through; and just when I thought all hope was gone, I heard a small, still voice say to me, Be ye encouraged! So begins Tomiko Starling s uplifting exhortation to seek God s encouragement in the daily circumstances of life that affect us all.
