By Charles Phillips Emerson

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Essentials of Medicine: A Text-Book of Medicine, for Students Beginning a Medical Course, for Nurses, and for All Others Interested in the Care of the Sick Several years experience as a teacher of medicine in a medical school and medical lecturer to nurses has convinced the writer that there is a great need for a book similar to the one which he now respectfully submits to the reader. Many American medical students lack perspective in their medical studies. They do not learn the A, B, C of the disease first and then proceed to its more difficult study. During their second year they are taught the pathology of a disease, including a discussion of the nature of the disease as a whole and its most difficult points. During the next year they hear much of its clinical chemistry and microscopy, and more of the theories concerning it. In the fourth year perhaps they see their first patient with that disease. They read up at once, often in a large system of medicine, all about its...
