## HER CALLING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In a world on the verge of being told that everything they once thought was merely myth is real, can one teenage girl cope with life changes she never saw coming? Seventeen year old Kyndle Callahan began her year as a typical high school senior. Well, as typical as a girl can be while living life as a werewolf. She wasn't bitten or scratched as most people believe all werewolves are made, no, she was born into the pack that's always been her extended family. She's never seen the people she grew up with as the monsters of myth and legend but everything in her life is thrown into a tailspin when her father springs some shocking news on her. Suddenly, reality as a werewolf is much scarier than the stories humans tell. Stunned by the prospect of spending her life bonded to someone she can't even stand sharing the same space with and devastated at the thought of losing the only love she's ever known, can Kyndle settle into who and what she is in time to set things right? Can the girl that grew up knowing only pack law stand up, embrace her true calling, and become the woman she was meant to be despite going against everything her family believes? With the help of her best friend Abbey, Kyndle must navigate a confusing world of wolf culture, teenage drama, and coming out in a group that believes her lifestyle is unnatural. Follow her journey through pain, heartache, several states, and the fight to be with the girl she loves and take her place in the world.
