Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Midwest Book Review states that, A Compendium of Souls: SPIRIT HELPERS to Support You In Your Life is a 242 page compendium of metaphysical insights, observations, commentaries, considerations, explanations, and discourses that students of metaphysical studies will find both thoughtful and thought-provoking. The thirty-two chapters comprising A Compendium of Souls ranges from various Hellenic, Roman and Egyptian deities and philosophers, pagan mythic and magical figures, to Christian Saints and American pop culture icons. Informed and informative, A Compendium of Souls is unique and highly recommended for personal, academic, and community library metaphysical studies reference collections and supplemental reading lists. Also strongly recommended reading for students of metaphysical studies is author Angel Cusick s earlier work: The Psychology of the Soul If you re considering this book, you were meant to know of these profound energy bundles that can be called upon in times of trouble for yourself and others, including your pets. It s critical to ask for help- but what s repeatedly reminded by the spirit world is the importance of asking the right person the right thing. If you ask Grandma Cop for help with astrophysics, be prepared to get Grandma Cops advice. Your energetic constitution is on the brink of becoming a formidable tool for you in ways unavailable before at any point in human history. The Galactic Alignment shall enhance your inbuilt magnet so your thoughts are of primary importance at this time. We are about to enter into a potent magnetic field that responds faster, more intensely, and more acutely to our thoughts. It is of utmost importance that you stop, sit and think about what it is you want to do for yourself and those...
