

Billy Budd, KGB (Paperback)

By Jerome Charyn

Dover Publications Inc., United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Vivid and sensitive. -- Publishers Weekly. Inspired by Herman Melville's novella, this graphic novel recounts a gifted and naive young man's recruitment by the Soviet secret service and his adventures in New York City as a spy. The tale begins in the aftermath of World War II, when a Ukrainian orphan with remarkable psychic powers is selected and trained by the KGB. Two decades later he arrives in the United States to lead a double life. Operating under the name Billy Budd, he conducts espionage while working with a construction crew that builds skyscrapers. Billy's rescue of a co-worker and the resulting friendship lead the agent in the direction of a spiritual existence, a previously unimaginable possibility. But can Billy escape his Soviet masters? This edition features a new English translation by author Jerome Charyn, who previously collaborated with illustrator Francois Boucq on the acclaimed graphic novel *The Magician's Wife*. An Introduction by Paul Pope, author and illustrator of *Batman: Year 100*, provides additional insights into this Cold War thriller. Suggested for mature readers.
