Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 248 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. It was about 1000 BC when the event occurred that would change our family forever. The way it changed us is how we can be traced as a family unit. From our beginning in the Pyrenees Mountains of Northern Spain over three thousand years ago, to the very spot where each related male member now resides. The facts I am opening this book with are not totally fiction. They are derived from actual science that we have been able to obtain from available DNA information. It is a brand new science and it is changing by the hour and day. If the reader investigates the subject of DNA and you are a sane individual. . . it will astound you. Not everyone will have a subclade or a haplogroup (related family) that can be traced like mine was, to a certain location in this world where it originated. I was very lucky and all my brother subclade men are just as lucky. I believe any reader will enjoy this book if they enjoy a historical fiction story, one that has a definite conclusive ending. . . one that is factual. This story is fiction from within my mind. But the fact that a story did take place is not fiction. We know this statement is true because my son and I are both here in this place, at this time! This tale of historical fiction was not possible to even conceive of a century ago. Only the advances of our modern scientific world in the past decade have been able to make it possible. Our creator had built into our genes a simple way to identify each of the male...
