RELYK

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.As the sheriff of a small town in the Black Hills of South Dakota, Maddie Turner lives a quiet, simple life. But when residents start dying with no logical explanations, she gets a little more excitement than she ever wanted. And when three mysterious strangers show up with questions of their own, the peaceful life she loves so much will forever be changed. This book also includes the short story Hostages, originally published in 2013 as Hostage Desert. When a couple picks up a hitchhiker on a lonely stretch of desert highway, his possession of a revolver quickly turns their generosity to fear. But are they the ones in danger, or is it the stranger who should be concerned? What critics are saying: Palmer successfully toes the line between blasphemy and historical accuracy, for an edgy and exciting, albeit short-lived, thrill ride. If you like smart, sophisticated plot lines with the kind of detail that puts you in the story , you ll love Relyk !.
