Trafford Publishing, Canada, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Most people could think of a thousand things they would rather be doing than being at work, or going to work the next day. The authors have put together a group of seventy-five examples of extreme, somewhat offensive, politically incorrect, and yet accurate things that one can do rather than go to their place of employment. Here is but a sample of those work-alternative suggestions: I would rather guess the first show s weights of The Biggest Loser contestants by having them stand barefoot on my face.than go to work tomorrow. I would rather be strung up like a pinata and smashed with baseball bats by angry children.than go to work tomorrow. I would rather pick up dog feces with my teeth.than go to work tomorrow. I would rather steal Marty McFly s DeLorean, go back to 1985, and get repeatedly punched in the face by a 19 year old, brass knuckled Mike Tyson.than go to work tomorrow. I would rather travel to Maine, jump on a fishing boat, and receive a circumcision by a 13 lb lobster.than go to work tomorrow.
