THE ANCIENT PATHS: DISCOVERING THE LOST MAP OF CELTIC EUROPE

Condition: New. What surfaces from these pages -- if true -- is nothing less than a wonder of the ancient world: the first solid evidence of Druidic science and its accomplishments and the earliest accurate map of a continent. Suggestions follow thick and fast, backed by a mixture of close reading, mathematical construction and scholarly detective work. Robb manages his revelations with a showman's skill, modestly conscious that his book is unfurling a map of Iron Age Europe and Britain...
