Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Paperback. Book Condition: New. Not Signed; I have never read such a stimulating short guide to art. It should be issued as a set text in every school. (Lynn Barber, Sunday Times Now). Grayson Perry is a fully paid-up member of the art establishment, he wants to show that any of us can appreciate art (after all, there is a reason he's called this book *Playing to the Gallery* and not 'Sucking up to an Academic Elite'). Based on his hugely popular BBC Radio 4 Reith Lectures and full of pictures, this funny, personal journey through the art world answers the basic questions that might occur to us in an art gallery but seem too embarrassing to ask. book.
