Reviews

The publication is easy to read better to understand. It is written in basic words and phrases rather than hard to understand. You won't truly feel monotony at any time of your respective time (that's what catalogues are for about if you question me).

CASE STUDIES IN IMMUNOLOGY: COMPANION TO IMMUNOLOGY, 5TH EDITION (PAPERBACK)

Elsevier Health Sciences, United Kingdom, 1997. Paperback. Condition: New. 3rd Revised edition. Language: English . Brand New Book ***** Print on Demand *****.Immunology is a crucial and complex subject, therefore the new edition of this unique text enables medical students to learn and understand immunological problems. The text manages to situate the concepts learnt by the student within a concrete practical setting, i.e. the clinical environment. The book can be used as a stand alone or in close conjunction with the parent text as the series of case studies are linked and cross referenced to the appropriate sections. Cases are set out in an easy to read fashion with a full description of the case followed by a series of questions based on the text. By relating what students are learning in their lectures to practical situations the book helps students come to grips with the subject and gives them an insight into how quickly and well they are learning. Designed for problem-based learning approach to teaching medicine Eleven tables in appendices provide an invaluable aid to clinical immunologists Case studies emphasize and reinforce the link between clinical immunology and the science of immunology Companion to Immunology Fifth Edition Spanish version also available, ISBN: 84-8174-179-5.
