Forgotten Books, 2018. Paperback. Condition: New. Language: Latvian . Brand New Book ***** Print on Demand *****.Excerpt from Clari Romani, Aemilius Paulus A full vocabulary and historical appendix are included in each volume, but there are no notes. It has been thought best to let the master decide the amount of help in translation which the class ought to receive. Many pupils have to bid good-bye to Latin at such an early age that they carry away little or no knowledge of the language or of the race which used it. It is hoped that those who read this series will, at any rate, learn something of the glories of Rome, and of the deeds, lives, and ideals of some of its famous men.
