Pro-Actif Communications, United Kingdom, 2016. Paperback. Condition: New. Paul Wick (illustrator). Language: English . Brand New Book. Lost in the slimy green tunnel of his nostril - amid screeching bats, poisonous snakes, a wayward owl, and a long-lost kite - Nicholas has a terrifying encounter with a stomach churning, gooey monster - The Bogeyman. The creature picks a fight with Nicholas for being so impolite and the boy is left to wonder how on earth he'll get home? Written in comical rhyme, and beautifully illustrated, the Monstrous Morals are building into a unique collection of children's books, and Nose-Pickin Nicholas Pickering is bound to be picked up time and time again.
