## SHINING AND CRITICAL WAYS: HOW TO ENHANCE OUR ABILITIES

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 120 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. The main purpose of this book: The main purpose of this book is to know the methods needed for better conclusions and solve more complex problems. These ideas came initially during the school years. They were developed at the university and then were studied in society. Some important cases are in need of a good conclusion system. These serious cases are: decisions, new ideas, creativity, and research and even above them. Students regularly conclude in their work and of course should be able to use these ideas. As well as businessmen or women. We must have something to offer that students and traders use it simultaneously. We see that the gap is very large. So, the aim of this book is very broad. We probably have the same name that had in childhood. Similarly, some common cases are in life that each of them is used in childhood and old age in the same way (more or less). We are looking for cases which are common throughout of lifetime like our name. We can always use them (at all ages and in all places). If you look carefully, everyone always does different tasks with a fixed methodology. This is the soul or the name of their routine. We always do our tasks in accordance with a specific character of work and hardly able to get out of this pattern. The methods we use to perform our tasks, usually turn into a template. If we change or improve our methods, turning again into a framework (fixed mold). In this book, we want to imbed all the solutions to this, and extract them in case we need. In this way, the mold...
