Lotus/Roli Books, New Delhi, India. Hardcover. Book Condition: New. Dust Jacket Condition: New. Mahatma Gandhi and his philosophy of truth and non-violence have intrigued the world for decades. Looking at the Western and Indian influences that had gone into making Gandhi the Mahatma, and the central importance of Gandhi to non-violent activism, these essays reclaim the power of truth and non-violence, which can still change the destinies of people and nations. In this collection, Weber discusses Gandhi, his ideology, and how India and the rest of the world is interpreting and reinterpreting the Mahatma. The doctrine of conflict resolution theory, new environmentalism, peace research, deep ecology, and Buddhist economics based on Gandhian principles renews the world's belief in Mahatma and his teachings for our lives and our times. Printed Pages: 361.
