

Forever Tomorrow PT. 1: Volume One of the Book of Tomorrows (Paperback)

By Alexander Ulysses Thor

Createspace, United States, 2014. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.In 2190, New America celebrates its first centennial, marking the time when a wandering rogue turned into a Prophet Warrior rebuilt the battle-scarred country on Five Key Principles for Survival he found in the pages of the onetime controversial 21st century novel called The Book of Tomorrows, written by someone known only as The Author. A young couple meets for the first time through a government mandated Selected Breeding Program and fall in love at a museum, where they join a group of schoolchildren on a computer guided history tour. Then a hereditary link to the young couple reveals a dark conspiracy that forces them on a fateful journey through the past to save their future tomorrow. An epic trilogy within a trilogy, The Book of Tomorrows is a suspense-filled conspiracy thriller steeped in dark secrets, hidden pasts, and ancient truths that might just turn out to be the first true story prophetically set 175 years in the future. Starting the story at the end, it tells a realistic tale of a visionary New America, and most important, how it got...

Reviews

This pdf is indeed gripping and exciting. It is written in easy words and phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

An extremely great ebook with perfect and lucid answers. This is certainly for anyone who states that there was not a well worth looking at. It has been designed in an exceptionally simple way and is particularly only soon after I finished reading through this ebook in which it actually transformed me, modified the way in my opinion.
