Esmod Editions. Paperback. Condition: new. BRAND NEW, Grading Women's Garments, The technical Become a Pattern Drafter series presents garment construction bases for the different sectors of ready-to-wear: Men, Women and Children. Using a simple, clear, logical, precise method, these books are conceived through a rational technique known as Flat Patternmaking which gives valid, key formulas to help construct any conceivable garment. The methods are accessible to everyone : those wanting to make unique creations for their family or those who wish to pursue a creative career in fashion as patternmakers, designers, product managers or clothing manufacturers. Pattern Grading, Women's Garments completes the clothing creation addressed in the previous work by explaining, step-by-step, how to change sizes. Conceived to meet the industry's needs, it addresses anyone with a passion for garment construction. The models explained are chosen specifically because an infinite number of models can be graded using the same principles.
