Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Strippers Make More Tips When They re Ovulating is a decidedly quirky and brilliant collection of screenplays written by the as-of-now mostly undiscovered genius, Wil Davis. Exploring themes including, but not limited to, evolutionary psychology and romantic love, science and religion, sexual jealousy, feminism, nihilism, family and authority, Strippers is an eclectic combination of thought-provoking scripts for the screen. Davis also directed five of the seven screenplays herein; those short films are currently available on an internet near you. Enjoy. -WD.
