Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

A sickening scenario. When a group of friends fall sick after preparing a birthday dinner, Jeri McKane suspects that the illnesses are linked. Is it simply an unfortunate event or have the friends been intentionally poisoned? Jeri's detective instinct says something isn't right, and the girls follow a trail that leads to some not-so-sweet evidence. Will the girls discover God's goodness and grace in the midst of unfair and sinister events, or will they be left with a permanently bad taste in their mouths?Editorial ReviewsAbout the AuthorKristi Holl is a best-selling award-winning author of dozens of middle-grade novels. With additional background as an elementary school educator and instructor of writing for children, Kristi's books are on many recommended reading lists and have been nominated for numerous Children's Choice Awards.
