ADOLESCENT RHEUMATOLOGY (HARDBACK)

Taylor Francis Inc, United States, 2008. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Adolescent Rheumatology is the first single-source text that focuses on how adolescent-specific aspects impact rheumatic conditions and cross references disease-specific information from general rheumatology textbooks. Using a generic, developmental approach to make this book unique, the evidence base is referenced with a clinical and practical approach that is adopted to each topic. Written by a list of international experts from a range of disciplines, chapter topics include: * differences in presentation, diagnosis and management between pediatric, adolescent and adult rheumatology care * adolescent health training issues * quality of care in adolescent rheumatology * communication with young people * a full chapter written by young people attending adolescent rheumatology clinics This guide also covers core adolescent health topics and how these factors are impacted by rheumatic disease, which includes: * adherence * back pain * chronic idiopathic pain * cognitive development * communication * generic health issues * growth and puberty * juvenile idiopathic arthritis * low bone density * peer support * parenting of adolescents * SLE * sports injuries * transitioning to adult health care.
