

Instant Piano: Play Piano Without Having to Read the Notes: The Classic Piano Repertoire in a Revolutionary Way of Reading and Writing Keyboard Music Without Studying the Notes (Paperback)

Filesize: 2.38 MB

Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Burnice Cronin)

INSTANT PIANO: PLAY PIANO WITHOUT HAVING TO READ THE NOTES: THE CLASSIC PIANO REPERTOIRE IN A REVOLUTIONARY WAY OF READING AND WRITING KEYBOARD MUSIC WITHOUT STUDYING THE NOTES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.INSTANT PIANO eliminates the hassle of learning the traditional music notation taking you straight to play the piano. Using the KeyLang Multiline system (Keyboard Language), you play what you see. Achieve in days what it takes months to learn with traditional notation, investing your time in learning to play and not in learning to read. Learning to read traditional notation consumes more than 70 of your time. That is a barrier that puts off many potential pianist and keyboardists. You don t need a special musical talent or a great memory to play piano with KeyLang Multiline. Your fingers know straight away what to do. Perform the world s favorite music pieces from the classical and popular repertoire in no time. Play Bach, Beethoven s For Elise and Moonlight, Debussy Claire de Lune, Eric Satie s Gymnopedie, The Entertainer, Celtic music and much more. KayLang Multiline borrows some elements from the traditional music notation, giving you also the chance to tackle the study of conventional music notes already with advantage. WELCOME TO THE 21ST CENTURY WAY OF READING PIANO MUSIC.
