By Christy K Robinson

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Effigy Hunter is a literary genre-bender. There s nothing like it. It s nonfiction medieval history, genealogy, monument photography, travelogue, a bucket list of where to go on your effigy hunt, anecdotes about the people behind-or under-the effigies, and a lesson in religious symbols and what they meant to the people who made them. This book contains more than 60 original images, and tables with more than 900 medieval names and burial places in Great Britain and Europe. Many of the subjects were royals or aristocrats, and others were famous or forgotten-until now. If you re interested in ancestry research, this book is indispensable: you ll learn what some of your ancestors looked like, and chances are great that you share many of these ancestors with millions of people living today, so you can find out more about what kind of people they were as you extend your lines. You need Effigy Hunter as your trail guide. Chapters: Church Monuments In the beginning, hundreds of years later I see dead people! The parts of a...
