Highly Effective Job Search, United States, 2014. Paperback. Book Condition: New. 279 x 221 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.You already know that job hunting can be difficult. It can be tough in a good job market. In a bad job market, it can be brutal. You get rejection after rejection. You're constantly faced with the Black Hole of job hunting: You complete applications, post resumes and make contacts, but get no response at all. It can be hard to keep going, and many job hunters have periods of doing far too little - and even slowing down just when they need to speed up. And sometimes it's hard to know what kind of effort to make. Should you make more phone calls? Use more social networking sites? Find more job boards? Make more contacts? A professional career coach could assist you with all of this. However, many job hunters are unemployed and not in a position to hire a coach. A PROVEN SYSTEM But now, there's another solution. Rather than hunker down alone in a home office, you can do your job hunting as part of a Job Search Work Team. Team members do not need to be experts, since they're using a proven system - one that's been successfully used by a 300-office global career services company for over 20 years. Job Search Work Teams have helped thousands of job hunters find great new jobs faster. Team Up! shows you the university research that explains why and how these teams are so successful. And the book tells you exactly what to do to join, start or lead one of these teams. Teams have been shown to shorten job searches by 20%. That could cut a five-month...
