Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Isaac Olson)

MASON EXPLORES SCIENCE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Zoology, paleontology, oceanography, physics, chemistry, robotics, and astronomy are some of the areas the reader learns about in MASON EXPLORES SCIENCE. This engaging, child-centered story is an informative introduction to many exciting branches of science. Mason is encouraged to think and act like a scientist; ask questions, observe his world, use science words from the text, and record his thinking. The book is a fun look at the vast fields of science for any child, but especially for a Mason because he is the main character in this book and his name is featured throughout. This book, combined with MASON S SCIENCE JOURNAL and LET S EXPLORE SCIENCE: BRANCHES OF SCIENCE COLORING BOOK is a great way to introduce Mason to the wonders of science and motivate him to find out more about the world and outer space!.
