Reviews

I actually started out looking at this book. It really is rally interesting throgh studying time period. I am just happy to inform you that here is the greatest ebook i have read through within my personal daily life and could be he best book for possibly.
(Miss Myrtice Heller)

THE DAILY TELEGRAPH MILITARY OBITUARIES: BOOK 2

Grub Street, 2006 9781904943600, 2006. Hardcover. Condition: New. Dust Jacket Included. NEW hardback in d/w. 427 pages. Foreword by Sir John Keegan. From the blurb: "this second collection bears eloquent testimony to the gallant qualities shown by the soldiers of Britain and the Empire. It includes such Victoria Cross holders as the Gurkha Ganju Lama and the tank commander Pip Gardner; "Bala" Bredin, who never wore a helmet but won two DSOs and three MCs over 20 years; and David Block, the deadly accurate gunner at Monte Cassino. But although the majority of the action occurred in the Second World War, four centenarians served on the Western Front in the First World War while another, Darcy Jones, took part in the dashing cavalry charge on Huj in 1917. Anthony Farrar-Hockley rallied the Glosters on the Imjin River in Korea while Vanessa Lloyd-Davies dismissed the danger of being under fire in Bosnia by saying she had faced worse riding hard with the Quorn Hunt in Leicestershire". There are 100 obituaries in all - a fascinating collection. As Andrew Roberts, the historian, wrote of the first collection "They evoke swirling, profound, even guilty emotions. To those Britons who have known only peace, these are thought provoking and humbling essays in valour".
