I am very impressed with the way Dr. Ellingsen outlines this Lectionary Preaching Workbook. Here is a splendid workbook. It is rich in detail and theological insight. Ellingsen writes clearly, is sensitive to context, and widens [our] horizons. This book should be required reading for all pastors, seminary students, and other lay people who are involved in ministry with adults and youth. It should be regarded as a textbook to enhance one's knowledge about the meaning of the seasons or major festivals of the [church] year. Reverend Jesse Averett Jr. Presiding Elder, Christian Methodist Episcopal Church If a preacher is looking for quick and easy sermons, this tool is not what s/he is seeking. But if a preacher is looking for solid biblical scholarship, thoughtful exegesis, a possible preaching theme for each of the appointed lessons for each Sunday in the lectionary year accompanied by a variety of ideas for how that theme might be developed, then CSS latest Lectionary Preaching Workbook will be a valuable resource. Built around the Revised Common Lectionary and the Christian church year, Pr. Mark Ellingsen has put together a highly useful resource. Ellingsen's passion for justice and equality as applied to the social issues of the day comes through clearly in some of his sermon moves as well as the socio-economic and political illustrative connections he offers. Incorporating insights and quotations from a variety of sources -- everything from modern brain research to Luther, Calvin, Liberation Theology, Bonhoeffer, Pascal, and Barth -- Ellingsen strives to connect God's Word to our world in ways that the preacher will find stimulating and inspirational.
