Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Various insightful and interesting books have been written by this Author - particularly regarding the fundamentals of the Human condition, the mechanical egoic mind and the Awakening of human consciousness - into a new cognitive process and a new way of thinking, living and being. Initiated teachings and observations slowly emerging from personal experiences over many decades during which time, multiple near[beyond] death experiences were recorded. These publications often detail true life involvements and observations by the Author and include specific instructions and tools for living the fascinating, inspirational life of a Spiritual Warrior, which should prove to become invaluable in creating edifying, confirmative life experiences for the reader. And hope for seekers interested in the search for the meaning of existence. Various books and courses of study by this Author are available through Theosis Books, subjects of specific interest and concern for anyone wishing to advance their study of the human condition and transcendence of the mechanical mind and the ego's dilemma. These books demonstrate - through accessing various levels of consciousness during the Awakening process - this extraordinary, necessary transition may be achieved in one lifetime, in human form. These teachings are a gift to anyone wishing to raise their level of Thinking and subsequently, their level of Awareness and Being - to come to greater Understanding of Self, Life, Existence and the Essence from which they originate. Then to change their thinking, behavior and circumstances to align with their original purpose in becoming an Authentic human being. Without understanding why and how this evolutionary creation happens, the details of the Awakening process falls on deaf ears, but with a new understanding, a different perspective, a wider comprehension...
