Overlook-Omnibus, United States, 2004. Paperback. Condition: New. Reprint. Language: English . Brand New Book. During his lifetime Elvis Presley performed over one thousand concerts, recorded over one thousand different songs, and has had over one thousand books written about his life. No other act in the world of entertainment has been the subject of so much discussion and intense analysis, or with a fan base as loyal, supportive and dedicated in the preservation of his artistic legacy as that of Elvis. Illustrated with over 100 rare and exclusive photographs, The Elvis Archives accurately reflects the true Presley life story, without debate or criticism. Elvis was often thought to be a recluse, but these photographic records show Elvis meeting and mixing with some of the most famous and influential people of our time: pop stars, politicians and presidents all wanted to meet The King and this picture portfolio details many of those exciting moments.
