

## Home Tanning And Leather Making Guide (Paperback)

---

By Albert C. Farnham

Read Books, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Leather in some form has been in use from mankind s earliest days to the present, and although there are many ingenious and valuable imitations and substitutes, the saying There s nothing like leather is as true as ever. This book contains a detailed treatise on tanning and leathermaking, written for those who wish to tan and make leather from cattle, horse, calf, sheep, goat, deer, and other hides and skins. A must-have for those with an interest in leatherwork, this antique book makes a great addition to any collection of leatherworking or taxidermic literature. Chapters contained herein include: Selection of Hides and Skins ; Skinning, Curling and Storing ; Equipment and Tools ; Materials ; Methods and Terms ; Soaking and Liming ; Unhairing and Deliming ; Tanning ; Softening and Finishing ; Alum process - Lace Leather ; Chrome Processes; et cetera. We are proud to republish this book here with a new introduction to the topic.
