## THE POWER OF CLOUD COMPUTING

The Power of Cloud Computing  
Framework for Power Saving in the Android Smartphones Using Cloud Computing

LAMBERT

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Framework for Power Saving in the Android Smartphones Using Cloud Computing | Cloud computing is a steadily developing information technology in which shared resources, software and information are provided to the users on-demand. Cloud computing is the product of the fusion of traditional computing technology and network technology like grid computing, distributed computing, parallel computing and so on. Smartphones are the mobile phones which are smart as they offer features like the...
