A variety of relationship short stories, highly romantic and otherwise, about couples and families. Some abusive relationships, with resolution of the abused overcoming the conflict. Fantasy and science fiction, touching on the political, involving people from preteen to old age, including using amateur radio for communication and recreation. A wide mix of subjects: geographically, across countries, continents, galaxies, and infinite time. Going down with the ship can be a triumphant ending; seeking an alternative diagnosis makes all the difference. And, just what is it that can be found with diligent search through foreign languages in public and university libraries around the world Finally, an interspersing of verse in as many different subjects, to set off...
