

Good Work Good Life (Paperback)

By Damrong Pinkoon

DAMRONG PINKOON COMPANY LIMITED, Thailand, 2015. Paperback. Condition: New. Language: N/A. Brand New Book. The thing that makes people have different ideas is the information they put into their heads. Humans think good thoughts and then ignore their inner voice, they think about good deeds and then stop doing them, we like to create, but also like to destroy. All this happens because of the information we put into our heads. Although some people think differently this does not mean they are unusual. What it does mean is that they have something in their head which is not the same as in other people. Almost all successful people are likely to have different ideas from everybody else, why is that and where do you fit in?.
