Reviews

Completely among the finest pdf I actually have ever read through. it was actually writtern extremely completely and beneficial. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Ecco Press, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. From the introduction by Galway Kinnell: The poems of Walt Whitman meant little to me when I read them in high school and college. Luckily, when I was teaching at the University of Grenoble in my late twenties, I was required to give a course on Whitman. My experience of Leaves of Grass then was intense. . . . Soon I understood that poetry could be transcendent, hymn-like, a cosmic song, and yet remain idolatrously attached to the creatures and things of our world. . . . Once again, as when I first began writing, it seemed it might be possible to say everything in poetry.
