

Pennine Way Companion

By Alfred Wainwright, Chris Jesty

Frances Lincoln Publishers Ltd. Hardback. Book Condition: new. BRAND NEW, Pennine Way Companion, Alfred Wainwright, Chris Jesty, The Pennine Way - England's first continuous long-distance path for walkers - stretches for 268 miles from Derbyshire to the Scottish Borders along the length of the Pennines. Inaugurated in 1965, it has become one of the most popular long-distance footpaths in Britain. For those starting in the south, it runs from Edale in Derbyshire through the old West and North Ridings of Yorkshire, Westmorland, Cumberland, and Northumberland before reaching its northern terminus at Kirk Yetholm, just over the Scottish border. Wainwright's handwritten guide to the route, with its magnificent detailed maps and occasionally tongue-in-cheek text, was first published in 1968. This new edition has been brilliantly revised and updated by Chris Jesty to meet the goal Wainwright set for the original edition: 'to enable walkers to follow the Pennine Way without putting a foot wrong.'

Reviews

An extremely wonderful book with perfect and lucid information. This can be for all those who stätte there had not been a really worth reading through. Its been written in an exceptionally easy way and it is only after i finished reading this ebook in which actually modified me, alter the way i really believe.

-- **Kaelyn Reichel**

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).
