## U-TURN

Xulon Press, United States, 2012. Paperback. Book Condition: New. 190 x 124 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Life is made up of a series of choices. Every day from the time we get up to the time we rest, we are making choices. Do I take this job? Do I attend this college? Do I marry this person? Do I buy those drugs? Do I have just one more drink? Do I finally stand up to my boss? Do I attend this church? Every choice you make in life has consequences. Some minor, some major, but each one moves you through life, creating footprints on your own individual roadmap. There is one choice out of all these choices in life that will be the most important choice you ever make. This ONE choice has been made by every single person who has ever lived or ever will live. It will change your life. It will change your destiny. However, like everything you do today, the choice is yours. James West is a successful businessman who has traveled extensively throughout the United States and enjoys riding his Harley and hiking, especially in the remote canyons and mountains out West. The creator and author of the website, he has lived and worked most of his life in Pennsylvania but now...
