Green Ivy, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Promises easy to make, easy to break. There are many characters in this book. Heroic father with a dark secret, a mother who is not what she seems, a brother and sister who are caught up in the web of lies, and there is a bad guy someone whom I blame for all of the problems, and not undeservedly so. Though is he really the source of the problem? I m here too of course, as the one who tells the story and its main character we follow me as I grow up in a world hidden from the rest, where I learn the ways of users and pathological liars. We see the aftermath as I struggle to deal with my childhood scars and the moment that forces me to turn my back on all of it. But at the heart of this story is a promise. A solemn vow I made to myself and I m not alone in making. A silent resolution I am now confident that I must break. One I hope I convince others to break as well.
