SIMON SCHUSTER AUDIO, 2008. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. RICHARD PAUL EVANS BLOCKBUSTER BESTSELLER AT A NEW LOW PRICE! From the author of the beloved classic, The Christmas Box, comes another inspiring story of the power of love and the wonder of Christmas. There are stories, Christmas stories that are stored away like boxes of garlands and frosted glass ornaments, to be brought out and cherished each year. I've come to believe that my story is a Christmas story. For it has forever changed the way I see Christmas. The Christmas season is supposed to be full of joy, but not for Mark Smart. Life had dealt him one blow after another until one snowy November night, when he finds a beautiful young woman who will change his life forever. Macy Wood has little memory of her birth parents, and memories she'd rather forget of her adopted home. A Christmas ornament inscribed with the word Noel is the only clue to the little sister she only vaguely remembers, a clue that will send her and Mark on a journey to reclaim her past, and her family.
