

Gulf Coast Chronicles: Remembering Sarasota's Past (Paperback)

Filesize: 1.41 MB

Reviews

The publication is great and fantastic. I actually have read through and i am sure that i am going to planning to go through yet again yet again down the road. I realized this pdf from my dad and i encouraged this publication to understand.

History Press (SC), United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. About halfway down the gulf coast of the Florida peninsula, along the old Tamiami Trail, lies the beautiful city of Sarasota. With crystal blue waters, fabulous beaches and the warmth of its citizens and sun, Sarasota has always been a popular destination for an array of colorful characters. As with many cities along the Florida s gulf coast, Sarasota has experienced growth and change that has left few reminders of the once easy-going lifestyle that made Sarasota such a special place. Although the Sarasota of the early twentieth century, through the mid-1950s, was small in size, it was community large in spirit and had an identity that was shared and enjoyed by residents and visitors alike. Gulf Coast Chronicles: Remembering Sarasota s Past is a warm and vibrant stroll through the often forgotten and innocent days when Sarasota was home to the Ringling Circus, splendid hotels and baseball spring training. Longtime resident, historian and columnist Jeff LaHurd revisits the good old days of Sarasota s past, and brings to life a time that is now only a nostalgic memory.
